Deadline: 28 August 2015**Rules & Regulations to All Non-Official Contractor****Show Name : GeoSmart Asia 2015****Build-Up : 29th September 2015 (0100 - 0900hrs)****Teardown : 1st October 2015 (1600 - 0700hrs)**

The Stand Builder is responsible for ensuring that each stand complies with the Venue's and/or authorities' guideline/requirement. The Organiser, Venue and Innogen shall not be responsible for any rectification work required to correct the deviations to the stand design plan from the exhibition floor plan. Therefore, the stand structure / integrity will be the responsibility of the Stand Builder and subject to on-site supervision if necessary. It is the responsibility of the Stand Builder to ensure the followings :

1. Each stand does not exceed the designated zone built height restriction
2. The approved stand size fits into the stand's footprint
3. To cross-check the stand design plan against the exhibition floor plan

All temporary structure build for exhibitions or events must possess adequate strength and stability and functioning during construction and throughout the duration of the event. The designs of a temporary structure are to be constructed in a manner that poses no danger to public, employee or contractor safety at any time. In short, they are not a potential hazard to anyone in the vicinity.

It is the responsibility of the contractor to ensure all regulations, policies and deadlines outlined in the Manual are observed carefully and performed by the Contractor involved in Exhibition. The following guidelines must be adhered to :-

Part 1 : General Rules and Regulations

1. All non-official contractors are required to registered with the Official Main Exhibition Contractor.
2. No build-up materials be allowed to pile into the aisle/gangways, obstruct fire exit door and fire fighting equipment . Please remember to keep your entire materials inside your stand at all times.
3. A covered footwear must be worn at all times whilst working on site. No thongs, sandals or open-toed shoes are allowed.
4. No consumption of food items is allowed in the Hall.
5. Material used for lining, drapes or overhead structure or as part of the theme or display to the public must be rendered non-flammable as per BOMBA requirement. The use of flammable materials is strictly prohibited unless treated with fire retardant.
6. No persons under 18 years old age are permitted to enter or work on the premises.
7. Smoking is not allowed at any time in the Halls and associated work areas.
8. All contractors must wear a pass supplied by the Event Organiser or the Official Exhibition Contractor all the times when entering the Centre.
9. All contractors must ensure the removal of all debris, rubbish and packing materials from the premises.
10. Activities, which generate dust such as welding, sanding sawing are strictly prohibited. Stand structure shall pre fabricated off site and no major painting is permitted.
11. Proper scaffolding, including ladders and work platforms, must be used for any construction activities above 3m in height within the venue and must comply with the relevant safety and health regulations.
12. Unruly or unacceptable behaviour and violent acts are strictly prohibited. People acting without due care for others or not following directions of Security personnel may be evicted from site.
13. Any person caught committing unsafe work practises and or non-compliance activities will be prohibited from working in Centre.
