The Do's and Don'ts of your booth

To protect the walling we ask that you **DO NOT** use stickers, adhesive, sticky tape, double sided tape, glue, nails, staples, screws or pins.

To attach promotional material to our walling we ask that you use velcro (both hook & loop for white smooth finish walls / hook only for black carpeted walling), wall shelves (weight limits apply), slat walls or hook and chain

(All of these items are available from AEH). If panels require repairing, replacing or cleaning the cost will be charged to the Exhibitor.
